Deliverables Report

Distributing invoices

The monthly invoices for carriers were mailed February 14, 2011.

Processing Payments

Payment information from the lockbox service at Mellon Bank is received every Monday for the prior week's deposits. The deposit information is recorded on either Monday or Tuesday each week.

Late/Absent Payments

Statements of account were sent out for receivable balances under 90 days old on February 3, 2011.

FCC Red Light Notices

563 delinquent accounts sent to the FCC for collection and submission to the Red Light Site. There were no payments received from the FCC.

Complaints/Queries

All queries are directed to a voice mailbox. The information is transferred to an Access database. The date, nature of call, name of caller, Filer ID, who responded and on what date and the resolution is tracked. Calls are responded usually within 3 business days. 8 calls were received in February. Most calls were questions about the invoice received, how to pay, request for copies of invoices and requesting a W9.

Staffing Changes

Nothing new to report.

Contract Renewal

The contract expired October 1, 2009. Welch LLP is on the USGSA list. Welch LLP received a 6 month interim contract with the same terms as the expired contract including the contract amendment. The interim contract has been extended to July 31, 2011.

Accounts Receivable

The old receivables are gradually being cleared up as USAC identifies and verifies companies that are inactive. We have received procedures from the FCC as to how to apply for approval to write off debt. This has to be done on an individual carrier basis. The FCC has to approve each request for write off.

19 write off packages were prepared and sent to the FCC in July requesting approval for write off. FCC has not approved these yet. An additional 8 write off packages were prepared and sent to the FCC in September. Approval has not been received yet.
